**You get the following message from your friend Renata, a 72-year-old businesswoman who lives in Berlin.**

Dear Tom,

I am sorry I have not written lately, but I have been very busy at work..

How is the family? I hope they are all fine. Everything is the same here in Berlin.

I am writing to you because I have to organize an urgent trip to London next week. I have an important meeting next Monday and need to be in Central London at 11.30 am. Since I am not familiar with flights and schedules, I would really appreciate it if you could give me some advice.

Kind regards.

Renata

## **TAREA 2: PRODUCCIÓN DE TEXTOS ESCRITOS**

It's your best friend's 30<sup>th</sup> birthday and you want to organize a special surprise party for him/her. As part of the surprise, you would like to tell a funny story that happened to the two of you when you were younger, but you have decided to write the story first in case you get nervous and you have to read it on the day.

**Write the story and don't forget to mention:**

- When and where you were.
- How old you were.
- How and when you had met.
- What other people were there.
- What the situation was.
- What happened exactly and why.
- How the story ended and what people's reactions were.
